If you want to pick up your child before 5:00PM you must pick them up at our activity location, **NOT** at the high school. To find out our activity location on that specific day, please call our office.

### Itinerary

- Schedule:** We will contact you either by phone or email on Sunday the day before camp starts to let you know what activity we are doing each day. We wait until the last minute so we can plan according to the weather.
- Food & Drinks:** We provide a healthy snack to get your child through the day. If you think our snacks are inadequate, you are welcome to pack your own snack as long as it is NUT FREE, small and does not require refrigeration. We recommend they have a full breakfast before camp starts. We provide a brand new water bottle for every camper to keep. Please bring it back each day and we will continue to refill it throughout the day.
